

# LAKE WEYBA ECO-TOURS

*Weyba — place of stingray*

## Suggested tours

Tour guide Gail Hill

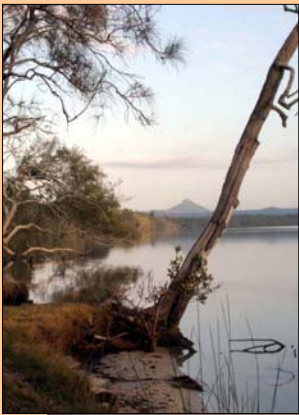

### Natural history walking tour

During these tours individuals, couples or small groups gain an appreciation of the lives of the abundant bird life and native animals frequenting the cottage campus and Lake Weyba shoreline. Best times early morning or late afternoon.

Cost \$ 30 per couple/hour Duration approx 2.5 hrs

Learn about the ecology of these gentle creatures

Soft, early morning light on the lake

### Exploratory canoe tour

Take a leisurely paddle around Lake Weyba and its creeks with Gail; discover its wildlife and its natural and cultural heritage. As well as identifying species Gail offers the participants the opportunity to learn more about the behaviour of animals. She helps to answer the how, what and why questions of natural history. As we explore the lake learn about the traditional custodians of Lake Weyba. The history is rich in culture and many artifacts still exist. See middens, fish traps and scar trees.

Cost \$30 per couple/hour Duration approx 4.5 — 5hrs

#### OPTIONAL

Enjoy a glass wine with a specially prepared picnic hamper at one of the lake's secluded beaches. Additional cost.

All tour participants receive a three leaf brochure that contains some behavioural characteristics and photographs of two species that occur at the site; as well, the brochure details various topics that may be discussed during the tour.
